### The Activity:

*Outrageous Games* is the quintessential high-spirited team building program. From the opening ceremony (complete with nine-foot *Outrageous Games* ceremonial torch) to the presentation of coveted Bronze, Silver and Gold medals, TeamBonding delivers continuous high energy fun.

You simply provide the playing field, and TeamBonding takes care of everything – everything – down to details like optional customized t-shirts.

This is a highly-polished production, staffed by trained Facilitators who know how to build enthusiasm and make sure your guests have a good time. We’ve staged literally thousands of *Outrageous Games* programs over 17 years for clients nationwide. No wonder we’re considered the Zen masters of fun!

We conduct our games as an interactive live production, like something you might see on ESPN. The event is hosted by a professionally trained Master of Ceremonies, who provides hilarious play-by-play commentary throughout.

Our *Outrageous Officials* come dressed ready to assist your teams and judge the results on the field. Every event also features musical underscoring provided by an on-field DJ. It’s tough to get our DJ to stop once he gets going, so your package also includes two hours of FREE DJ service for your postgame picnic!

Once the participants are divided into teams, they compete head-to-head in ten wacky, wild, non-athletic relay races. Our games are designed to build team strength, facilitate communication and test problem-solving skills.

## OUTRAGEOUS GAMES cont.

### The Day's Outrageous Events include:

**All Sport:** The team lines up and passes an object alternatively between their legs and over their head. Then an additional item is added, although a player can only have one item at a time in their hand.

**Batman:** Superhero skills of balance and orientation are tested in this dizzying challenge.

**Champagne Relay:** A chance to get in touch with your inner waiter or waitress, this relay tests balance, dexterity, and team cooperation.

**Cowboy Shuffle:** A race where three players shuffle across the field on one pole simultaneously, while wearing cowboy hats.

**Fireman's Relay:** Patience and hand-eye coordination are put to the test as participants attempt to put out a (simulated) blazing inferno.

**Flip, Flop, and Fly:** A true test of communication skills, wherein Frisbees must be transported through an obstacle course full of challenges.

**Flipper Flash:** Cooperation is key as teammates help each other along on an underwater adventure. (Also provides us an excuse to say “Snorkel” over the PA system.)

**Hoop it Up:** A fast-paced challenge requiring utmost teamwork to move a hula hoop from one end of the field to the other.

**Ski Team:** An event in true Outrageous Games style, Ski Team requires strategy, coordination, and communication. *(Say that with a Cajun accent three times fast.)*

**Soap Box Derby:** Players make their way across the field using a pair of dish tubs as their stepping stones.

*Our event descriptions cover the tip of the iceberg of the fun that's in store. We've found it helps to build excitement and anticipation when participants don't know exactly what they're getting into. However, if you have questions or need more information, we'd be happy to elaborate!*

### Min./Max. Group Size/Age:

TeamBonding has staged successful events for groups ranging from 25 to 500. Players should be aged 10 and older. For events with younger guests, TeamBonding offers the Junior Games which feature 5 to 10 events scaled down in size and difficulty.

**Program Length:** The *Outrageous Games* competition takes approximately two hours to complete and includes two additional hours of DJ time. Your team enjoys 4 hours of unforgettable entertainment.

**Space Requirements:** We need an outdoor space large enough to comfortably hold your group. The typical playing field measures 60'x75' and a flat grass field is ideal.

**Fun for All Seasons:** *Outrageous Games* is available throughout the entire East Coast. From New England to North Carolina games are held outdoors from April until October, and are conducted indoor during winter months. Games are held outdoors year-round in the Southern U.S. Located elsewhere? Please ask about our *Go for the Gold Games*, which can accommodate other regions.
