

“They loved it... Everyone gave the team building activity a great rating and hopes that we do something similar next year. Thanks again!”

M.W. – LEXISNEXIS

## RICKETY RACKETY DERBY

***Build a Team. Build a Car. (and Race it!)***

### Benefits & Results:

- Boosts team spirit
- Promotes collaboration and communication
- Enhances creative thinking
- Celebrates healthy competition
- Fosters problem solving

### ***A High-Energy, Racing Extravaganza!***

#### The Game:

It's wild, wacky TeamBonding fun! Teams come together to design, build and ultimately race their very own “race car,” around a track. It's not the Indy 500, but the excitement feels like it!

Proudly, teams build a car complete with chassis and body, pass a safety inspection and get ready to race against the clock. Everyone participates, building cars, designing cars, decorating vehicles and racing suits, and even creating unique team racing chants. As team members come together in this unique team building event, they are forming new connections with co-workers and enjoying the contagious energy of the creative process. Of course, we

provide everything they need to build their cars from scratch: a blank blueprint, tires, axles, lumber, cardboard plus tools to cut and shape materials for aesthetics and aerodynamics! For large cuts, the Tool Time Body Shop, staffed by a skilled TeamBonding facilitator, will take care of all the serious sawing.

When construction is complete, teams push their cars around the track and are timed. The four fastest vehicles move on to the semi-finals. Of those, two race in the finals. Total teams scores are based on a combination race results and these hilarious Pit Crew Events.

**Pit Crew Add-a-Stitch Relay:** Hurry! Teams send members down the lanes to the garage area, where they put on an article of clothing, pick up a battery, wear a hat...then rush back to exchange all items with the next person in line.

Continued

Rickety Rackety Derby is an unforgettable, fun, team building event that challenges team creativity, collaboration, and the need for speed!

## RICKETY RACKETY DERBY cont.

**Harley Races:** It's a sight you'll never forget! Teams divide up and have a relay race with giant tricycles down the lanes.

**Hub Cap Toss:** Hubcap Tossers? Hubcap Catchers? Yep. Catchers step into oversized overalls, and stuff in as many hubcaps (Frisbees) as they can catch in 90 seconds. The remaining team members toss the hubcaps to the catchers. Of course, giant overalls are very attractive.

Whether you choose the PVC version or the Plywood version, *Rickety Rackety Derby* brings the sights and sounds of racing to life! Along with an engaging Master of Ceremonies and event staff who keep the event humming along, TeamBonding handles all music, decorations, and awards for the "Winner's Circle." We provide award medals for 1st and 2nd place for three categories: Best Race Time, Best Pit Crew and Best Overall.

*Rickety Rackety Derby* is an unforgettable team building event that brings together teamwork, collaboration and camaraderie for long-lasting effects! Your team will enjoy every minute of it.

### Ideal Usage:

- Company picnics/outings
- Retreats/conferences
- Awards trips

### Training Module or De-Brief:

TeamBonding can provide an optional customized debrief if arranged in advance. Debriefs are tailored to reflect and support your event theme, company goals, and other elements for total customization and relevance.

### Minimum/Maximum Group Size:

Ideal team size is 8 to 10 members, with anywhere from 4 to 30 teams.

### Program Length:

Approximately 1.5 to 3 hours.

### Space Requirements:

An empty parking lot or large paved area is ideal. We can also stage this event in a large indoor space. We'll be happy to discuss specific details.
