## TOYS FOR TYKES

***Enjoy Wagons of Team Building Fun while Making A Difference!***

### Benefits & Results:

- Make a positive impact in children's lives
- Build goodwill
- Foster team spirit
- Enhance communication and collaboration

### The Game:

**Make a difference in a child's life through this fantastic philanthropic program!** Groups form teams and compete with each other in fun activities and challenges that result in the creation of wagons, filled with presents for needy children.

Through taking part in trivia, team games and musical challenges, your company will take the first steps to putting a smile on the faces of underprivileged children in your community. The excitement begins with an Ice Breaker called Human Bingo and progresses onto other activities, including Toy and Children's Book Trivia, Win Lose or Draw with key teambuilding words, a Blindfolded Puzzle Challenge and a fun, fast paced, secret final challenge.

Teams receive their wagons and toys after completing their challenges, and create a girl-themed and boy-themed wagon of treasures! As groups work together, each team receives lyrics to 20 popular songs including Taking Care Of Business, 9 to 5, Take This Job And Shove It, Bang On The Drum, Working For The Weekend, Sixteen Tons, and Manic Monday. Teams pick one song, rewrite the lyrics to fit their company and then put together some dance moves to perform at the finale.

Teams wrap the gifts and wrap the wagon in cellophane and bows. They make gift cards for each present to provide kids with a personal touch and a message from the teams. Then, each team will perform their choreographed musical masterpiece to a wildly cheering audience.

TeamBonding will make every effort to arrange for a representative from a local charity such as the Boys & Girls Club or Toy for Tots, to personally accept the toy-filled wagons from each group, and to thank participants and your company for their generous donation.
