

## Operation Military Care

Operation Military Care is an impactful program that will put your group through an engaging, team-building activity leading up to the final challenge – the care package assembly for our military heroes!

It all begins with the entire group broken up into sub-teams and placed in different starting locations. From the start, these teams are required to gather items and materials that will comprise the care packages. These items are spread over a large area. Travel is difficult as the team must use “stepping stones” (walking pads) during the journey. From competition to collaboration, teams realize that only a shared, concerted effort will allow the project task to be completed on time.

You’ll be amazed at how energizing and uplifting this event can be for everyone involved, and what your team can accomplish back at work after an event that pulls everyone together for such a rewarding cause. We offer an optional post-activity facilitated discussion, which of course can be customized to underscore your event theme, company positioning, etc. This is one project that will be talked about for months in the workplace!

### Outcomes

- Support, charity and giving
- Healthy collaboration
- Strategic Planning
- Time Management
- Recognition

### Features

- Hands-on activity that promotes giving to acknowledge others
- Connectedness in the workplace

### Ideal Usage

- Any large all-hands meeting or function
- Product launches
- Energizing sales meetings/retreats
- Managerial retreats

### Group Size

- 10 – 500 (divided into teams of 5 – 7)

### Time

- 2 hours

### Space

- Large space indoors or outside
