

Philanthropic team builder | **The Art of Giving**

Here's a wonderful philanthropic team building program that enables your group to create beautiful multi-panel murals for placement in local children's hospitals, nursing homes, family shelters, etc.

It's an opportunity to foster important team building skills among your own employees, while brightening the lives of others in your own community. We manage to instill a great sense of accomplishment while making the final artwork pretty foolproof; an art in itself!

Teambonding has created a series of graphics specifically to look great on six or eight-panel murals. Each framed canvas panel measures 24" square. Once completed, these designs never fail to bring smiles to every face in the room.

Your group can choose from a variety of nature-inspired scenes. You may also want to assign one team a teamwork-themed mural for your own workplace. Or let us custom-design something using your company logo.

Once teams and images are selected, we project outlines onto a wall. Teams trace the outlines, then paint them, checking with other teams to insure good alignment. Next, they choose a color scheme, another step that encourages cooperation between groups.

Naturally, we provide all materials and are happy to help with any steps of the process. While completed panels dry, all team members participate in a series of fun and exciting team builder challenges. Don't let the laughter fool you. The powerful skills and tools learned here will go a long way toward increasing productivity and communication back at the office.

At your request, we will make every effort to have a representative of the facility your artwork is going to accept your mural donation and thank your group. When done right, corporate citizenship is a beautiful thing indeed.

Outcomes

- Great morale booster
- Strong corporate citizenship
- Enhanced communication skills
- Co-workers see each other in a whole new light

Features

- Teamwork, fun, and working together to create murals for a good cause

Ideal Usage

- Annual events
- Company picnics
- Community service days

Group Size

We can easily accommodate any group, since many murals of different sizes can be created during one program. When assembled, six-panel murals are 4 x 6 feet and eight-panel murals are 4 x 8 feet.

Program Length

Approx. 2 to 2.5 hours.
