

## Climbing the Corporate Ladder

“I want you know to that your company did a fantastic job yesterday. Many people came up to me afterwards and told me they thought the show, and the host Paul, were great.”  
Kevin – FM Global

It's TRIVIA, TRIVIA, TRIVIA, as you try to outsmart your coworkers in an attempt to 'CLIMB THE CORPORATE LADDER'.

This multiple choice game show combines Green and Corporate Business questions with old reliable geography, history, television, movies, literature, and sports added for good measure and a fun time!

We also encourage you to provide us with your own company and industry related questions. We will cleverly add them to the mix throughout the event.

Each team or individual starts out as an intern and attempts to climb the ranks and become the chairperson. Every correct answer brings you closer to the top. This game show is fun, fast paced, and easily customized for any size group. See if you have what it takes to make it to the top.

We invite 3 teams up at a time to play. Each round contains 30 questions. It takes 12 correct answers to reach the top. If no one reaches the top, the player(s) with the highest number of point wins!

Client can customize questions which are presented in a multiple choice format. We can run the program with as many as 5 teams at a time for larger groups.

And we form your teams with a mix of employees from different departments so they have a chance to meet and work with different people.

We bring our own audio visual unless we are traveling and we would need a video screen, projector, microphone, and sound coming from a laptop.
