

Toys for Tykes | Philanthropic TeamBonding

"I wanted to let you know how much my partners enjoyed the program. Paul did a very nice job. People are still talking about how great it was that you arranged having the Toys for Tots Marine Corps Sergeant show up at the end of the morning to receive the gift wagons. Thank you again and please pass along our appreciation to Paul!"

Sarah - Villa Crest Nursing and Retirement Center

Toys for Tykes is a great philanthropic program for groups who want to make a difference in a child's life. Your group will be formed into teams who compete in fun activities and challenges that result in the creation of wagons, filled with presents for needy children.

Using trivia, team challenges and music, your company will help to put a smile on the faces of many underprivileged children. We start with a fun Ice Breaker called Human Bingo and then engage in other activities including Toy and Children's Book Trivia, Win Lose or Draw with key teambuilding words, a Blindfolded Puzzle Challenge and a fun, fast paced, secret final challenge.

Teams are now given their wagons and toys. Each team builds a girl-themed and boy-themed wagon. While doing this, the lyrics will be distributed to each team of twenty popular songs including Taking Care Of Business, 9 to 5, Take This Job And Shove It, Bang On The Drum, Working For The Weekend, Sixteen Tons and Manic Monday. Teams pick one and rewrite the lyrics to make a song about their company. They will then put a few "dance moves to it".

The wagon and gifts are then wrapped

in cellophane and bows. Cards can be made to give each present a personal touch from the teams. Lastly, each team will perform the song they wrote about their company.

A representative from a local charity like the Boys & Girls Club or Toy for Tots will then arrive to accept the wagons filled with toys and thank your group for their generous donation.

Ideal Usage

- Kick-Off celebrations
- Community service days
- New branch office opening

Group Size

- We can easily accommodate groups ranging from 12 to over a thousand.

Time

- As always, TeamBonding is flexible. We typically design this event to run 2 or 3 hours.

Space

- A conference room consisting of at least 20 square feet per participant.
