THE ART OF GIVING

Getting Creative for a Good Cause!

Benefits & Results:

- Boosts morale and team spirit
- Strengthens teamwork
- Enhances communication
- Builds appreciation of cooperation and creative skills
- Encourages corporate citizenship
- Fosters productive relationships

Corporate Citizenship Can be a Beautiful Thing!

The Activity:

The Art of Giving is a wonderful opportunity to foster important team building skills while brightening the lives of others in your own community.

Through this customizable event, your team will be challenged to create a fantastic multi-panel mural to be donated to a facility of your choice, such as a hospital, nursing home, school, community center, charity organization or other community program. Your team will work together in a fun, collaborative environment to build and paint a bright, colorful work of art, using either predesigned graphics, or a custom-made graphic that

“Wonderful!

Thanks to all who made this possible.
The feedback from team members
has been very positive.”

H.P. – PJM INTERCONNECTION

includes your logo or imagery of your choice, When assembled, six-panel murals are 4 x 6 feet and eight-panel murals are 4 x 8 feet.

After the panels are completed and set aside to dry, there's more fun to be had! Your team will then participate in a series of exciting, interactive team building challenges. As teams take part, they'll be laughing and enjoying the process, while strengthening teamwork and productivity.

Presenting the Mural:

At your request, TeamBonding will make every effort to have a representative of the facility available to accept your mural donation and to personally thank your group.

If that is not possible, TeamBonding will arrange for pick-up or delivery of the mural, as necessary. When done right, corporate citizenship is a beautiful thing indeed!

The Art of Giving is an engaging and fun team building program that brightens the lives of others in your own community.

THE ART OF GIVING cont.

Ideal Usage:

- Annual events and holiday parties
- Company picnics
- Community service days
- Company or Department retreats

Group Size:

Any group size is perfectly suited for this event. Since many murals of different sizes can be created during one program, we can accommodate your needs for a fun, interactive event, regardless of group size.

Program Length:

Approximately 2 to 2.5 hours.

De-Briefing:

If requested in advance, TeamBonding can provide a Debriefing Session after the event to facilitate discussion with all teams collectively. While each debrief typically follows its own unique course, we lead discussions on how the teams worked together, challenges they encountered during the activity, and ways they believe they might work together better, in the future. We can explore the group's connections between their own work and work relationships regarding teamwork, communication, creative thinking, and problem solving as experienced through the mural creation process.
