HAIR RAZING RACE

Fun, Smart Teamwork Emerges Victorious!

Benefits & Results:

- Boosts morale and team spirit
- Builds relationships
- Encourages strategic thinking
- Fosters collaboration
- Celebrates teamwork

The Game:

Inspired by the popular TV show “Amazing Race,” this fastpaced team building event challenges teams to navigate a series of ‘detours’ and ‘roadblocks’ as they race to complete the circuit. Teams solve clues, collect bonus items and complete humorous team tasks along the way, all with healthy doses of laughter thrown in.

Highly customizable, *Hair Razing Race* works well with all forms of transportation including public transport, trolley, chauffeured limousine or participants’ own feet! Whichever you choose, your fun-filled program will effectively encourage team planning, communication, problemsolving, strategic thinking and observation skills. The routes can be themed to include historic sites, major landmarks, and other places of interest. Or we can design the event to take place in your company’s own backyard.

The Race is set up so that teams can choose individuals best suited to perform each task. This means nobody is forced to do anything they’re not comfortable with, yet everyone gets the opportunity to try something new and challenging. Teams must pull together, communicate and rely on each other’s strengths to emerge victorious. Teamwork has never been so much fun!
