

# MEET & GREET TEAM NETWORKING

BREAKING THE ICE. LOOSENING UP. GETTING TO KNOW YOU.

## BENEFITS & RESULTS

- Fosters immediate connections
- Builds quick rapport between employees
- Injects sense of adventure and fun into networking
- Eliminates awkward introductions
- Promotes team spirit and camaraderie

*Meet & Greet Team Networking* is a tried and true program developed from the start as high energy, networking fun designed to take place during the standard sixty to ninety minute cocktail hour. With *Meet & Greet Team Networking* your team will interact and will truly enjoy getting to know each other! Best of all, it's effortless!

## THE EVENT:

Take high energy, brief exercises that get everyone pumped up and soon you have folks mingling and becoming quickly connected in ways that might take days to accomplish otherwise. That's the beauty of *Meet & Greet Team Networking*, as exercises are done by individuals and small groups to achieve the maximum number of connections.

And because *Meet & Greet Team Networking* is totally customizable, we can tailor it to your timeframe as well as your specific group size, seating arrangements and overall goals. Depending on the meeting's key themes and audience dynamics, we'll choose the best exercises and ice breakers that are sure-fire successes to get your meeting off to a great start.

Imagine the positive tone and entertainment value of exercises such as Human Bingo, Secret Agent, Personal Best, Group Juggle, Hero and Villain, Pennies in a Basket, Two Truths and a Lie, Warm Fuzzies, Key Words, and many others. Some clients even use these brief, interactive exercises and surprising games as a Plug n' Play at key points throughout their programs, to keep everyone engaged and on their toes!

Choose *Meet & Greet Team Networking* and let people know that this meeting will definitely be different and unforgettable!
