

# TOYS FOR TYKES

ENJOY WAGONS OF TEAM BUILDING FUN WHILE MAKING A DIFFERENCE!

## BENEFITS & RESULTS

- Make a positive impact in children's lives
- Build goodwill
- Foster team spirit
- Enhance communication and collaboration

Make a difference in a child's life through this fantastic philanthropic program! TeamBonding gathers your group into teams that compete with each other in fun activities and challenges. The result of their efforts is the creation of wagons, filled with presents for needy children. Through taking part in trivia and team games, your company will take the first steps to putting a smile on the faces of underprivileged children in your community.

The excitement begins with an icebreaker and progresses onto other activities, including Toy Trivia, a Blindfolded Puzzle Challenge and a fun, fast paced, secret final challenge. Teams earn the points needed to earn the materials that fill their girl-themed and boy-themed wagon of treasures!

As groups work together, they are also given a songbook that contains the lyrics to common knowledge tunes. They are tasked with picking one of the songs, and rewriting the lyrics to fit their company, or your meeting theme. Participants wrap the gift-filled wagons in cellophane and bows. They make note cards for each present, providing a personal message from the teams. Then, each team will perform their choreographed musical masterpiece to a wildly cheering audience.

TeamBonding also works with your preferences to arrange the donation of these gifts to a local charity. We've had great success with organizations that provide social services and outreach, such as Boys and Girls Clubs, and depending on the season, Toys for Tots has also been a great supporter of this program.

TeamBonding requests a representatives from the benefiting organization to speak about their work and how the toys will be used at the conclusion of the program (due to many of the charity's privacy concerns, it is rare that we have children onsite to receive the donations).

### PROGRAM LENGTH:

Approximately 2 hours

### GROUP SIZE:

12 - 300+
