

SPY DASH

A SPY THEMED HUNT WITH A TECHNOLOGY TWIST

BENEFITS & RESULTS

- Boosts morale and spurs creativity
- Energizes team
- Inspires inventive teamwork
- Enhances group awareness
- Promotes problem-solving

Spy Dash has teams take off on foot going from destination to destination. This program can be done anywhere as long as there are enough areas to station agents in the field. Teams will navigate their way from location to location to compete in challenges and retrieve information from our informants. The teams will also have to snap photographic evidence along the way. Once the teams have completed all the missions, they will race back to headquarters to see which team of spies was able to gather the most information equaling the most points!

PROGRAM LENGTH:

Approximately 2 - 3 hours

GROUP SIZE:

12 - 250

TEAM SIZE:

4-6 for small groups, 8-10 for large groups

SPACE REQUIREMENTS:

A private area large enough to contain the entire group is needed for the introduction and for the wrap up. For groups over 50 participants, a microphone is required. This room will serve as the SpyTech Hunts Headquarters and should be in a secure location with internet access.

IDEAL USE:

- Kickoff for training sessions
- Leadership seminars
- Energize conferences/retreats

"We had a great time on Tuesday. Matt was great, he put on an awesome show for the group. Thank you to you and your team"

- MEDTRONIC NEUROMODULATION
