Better teamwork. Happier teams.™

Preferred Venue Program

Better teamwork. Happier teams™

Eventually, most of us grow up, find careers and settle in. Not a bad thing. But often, we also lose our ability to open up and have fun. And we actually become less effective on the job.

Done right, a team building event with a purpose can dramatically increase on-the-job effectiveness.

Who We Are

Global Reach

★★★★★

Amazing! The event was a HUGE success! Everything was perfect – the participants thoroughly enjoyed themselves. I can't say enough about how well it went. The word is already flying around the office about the success of the program and we already have another group thinking about using this program for an event of their own!

The hunt was a huge success!! Even this skeptical crowd of mobile app building designers and engineers were pleasantly surprised with the very cool smartphone application and everyone had a really great time! Michael and his team did a terrific job facilitating and the whole event went very smoothly.
