# DAY AT THE MUSEUM

COMBINE LEARNING AND FUN!

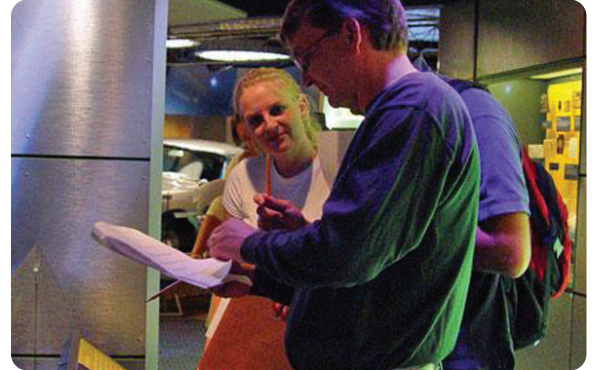

## BENEFITS & RESULTS

- Boosts morale
- Cultivates camaraderie
- Fosters creative thinking
- Celebrates collaboration
- Promotes problem-solving

*Day at the Museum* combines adventure, culture and team building fun in a wonderful indoor program that works exceptionally well on many levels. This highly interactive, entertaining program brings the museum to life and makes an unforgettable event any time of the year!

This program can be customized to almost any museum, in any area of the country. Team members have to work together to achieve points as they solve a set of museum challenges. Keen powers of observation and communication skills are required, and along the way, participants learn a little something about the artifacts, and each other! Collaboration is the name of the game as they work together to locate trivia answers within the museum's displays, and complete tasks assigned by our strategically placed assistants throughout the game. They'll revel in the unexpected as twists and turns evolve into mystery, intrigue and friendly competition!

Offered in any city, *Day at the Museum* is an indoor event that can be customized to dovetail with corporate themes, new product introductions and other company initiatives in a creative way! It's an unforgettable event that combines teamwork, fun, and the benefits of personal connection that will continue to energize your workplace long after the challenges are completed!
