

# HAIR RAIZING RACE

FUN, SMART TEAMWORK EMERGES VICTORIOUS!

## BENEFITS & RESULTS

- Builds relationships and camaraderie
- Inspires collaboration
- Promotes team strategizing
- Encourages creative thinking
- Boosts team spirit

Inspired by the popular TV show “Amazing Race,” this fast-paced team-building event challenges teams to navigate clues and challenges as they race to complete the circuit. Part scavenger hunt, part race, and all fun, this is an experience your team will surely remember.

Teams strategize their way around the race by deciphering clues. The clues lead them to specific locations and landmarks where our TeamBonding staff awaits their arrival to test their skills and challenging tasks. Teams then race back to the finish to find out if they’ve accumulated the highest score.

TeamBonding can create the hunt on foot, or integrate other forms of transportation like public transportation, trolleys, or chauffeured limousines. The routes can be themed to include historic sites, major landmarks, and other places of interest. Whatever your choices, we will create a fun-filled program that will effectively encourage team planning, communication, problem solving, strategic thinking and observation skills. The *Hair Razing Race* is designed for teams to work together, communicate, and rely on each other’s strengths and skill to emerge victorious. Teamwork has never been so much fun!
