

LET THEM EAT CAKE

THE POWER OF TEAMWORK, FROSTING & FUN!

BENEFITS & RESULTS

- Boosts morale
- Promotes camaraderie
- Fosters collaboration
- Enhances communication skills
- Celebrates creativity
- Gives back to the community

Let them Eat Cake unleashes the creative energy that lurks inside all employees. Working in small teams, your group will conceptualize, design and decorate spectacular sheet cakes in this gently competitive event.

Individuals and teams soon realize they can have serious fun designing and decorating a cake — even (or maybe especially) if they've never done it before. This event begins with delicious sheet cakes already baked to perfection, so forget that old line about needing to break a few eggs. This delicious team building event is all about decoration and presentation. Naturally, we provide all cakes and a wild assortment of decorating supplies.

Let Them Eat Cake is framed as a friendly competition. Your group is divided into teams, usually by departments, sales regions, or whatever makes sense. Or, add a dash of “random” and let TeamBonding assemble the teams. Either way, teams will have a great time working together and creating come up with a team name, along with a cheer or chant, before getting down to business.

Teams will sketch possible designs, and will work together to focus the vision behind their sweet masterpiece. Will they go for the company logo or some symbol that reflects how the team sees itself? Will it be a culinary caricature of your CEO?

LET THEM EAT CAKE

THE POWER OF TEAMWORK, FROSTING & FUN!

The sky's the limit — although we're happy to steer everyone in a common direction if you desire!

Once designs are set, they are sculpted according to each team's plan, and the frosting begins to fly. Teamwork, diplomacy, bargaining, and plenty of laughter — all the necessary ingredients — are mixed in liberally. The entire process is fun, engaging and memorable.

With our friendly TeamBonding Master of Ceremonies leading the way, teams will feel they are a part of a special event that pulls them together and fosters great camaraderie. When time is up, each group presents their creation, accentuated by their unique team cheer and an explanation of their design. We'll customize award categories and prizes, based on your team building goals.

Want to add a philanthropic touch to your event?

We also can provide cupcakes for the group to decorate, and can coordinate the donation of all cupcakes to a local food bank, shelter or other worthy charity.

Any way you slice it, *Let Them Eat Cake* is a fabulous morale booster and a great way to pull everyone together.

No kitchen. No baking. Just serious fun designing and decorating delicious sheet cakes already baked to perfection. Teams use a wild assortment of decorating supplies to create a masterpiece!
