

# FOODBANK SHOWDOWN

HAVE FUN, BUILD TEAMS AND GIVE BACK!

## BENEFITS & RESULTS

- Increases team interaction
- Encourages healthy competition and teamwork
- Strengthens problem-solving skills
- Identifies team strengths
- Inspires teamwork towards a goal
- Fosters big picture thinking
- Builds team communication skills

Based on America's beloved daytime game show 'The Price Is Right', this interactive, fast-paced game show will have teams testing their knowledge of grocery store staples to earn enough Showdown Coupons to buy groceries for a family in need. The event kicks off with teams competing on Contestants' Row, accompanied by music and humorous commentary from your Game Show Host, to answer trivia questions and earn their initial Showdown Coupons. From there, teams break off into a rotation to compete in grocery-shopping themed challenge stations, such as 'The \$17,000 Putt' and 'Plinko', to earn additional Showdown Coupons.

Once teams have tried their hand at all of the *Foodbank Showdown* games, they head to the Showdown Shop & Save to buy their groceries and assemble their care packages. The receiving charity will be on site whenever possible to accept the group's donation in person and tell the group about the impact their donation will make. Laughter, excitement and a dash of competitive spirit are all ingredients in making this food donation event the recipe for a perfect teambuilding program!

Parts of this program are customizable and can include games or products unique to your brand or organization. A high energy give-back event, *Foodbank Showdown* works as both a complementary event to a company conference or meeting, as well as a stand-alone event for teambuilding fun.
