- ✓ Project Management
- ✓ Resourceful Innovation
- ✓ Sharing Knowledge
- ✓ Breakdown Silo Mentality
- ✓ Inclusive Gameplay

Cement common bonds and forge new connections

Indoors

2–3  
hours

10– Unlimited

## Activity Overview

- Using 'ideas cards', participants exchange energy transfer concepts with individuals from other teams
- They return to their team, share knowledge and discuss how build their 'Rube Goldberg' machine
- Innovating with the materials to hand each team constructs a series of linked mechanisms
- Teams collaborate to join their chain reaction to the next team's
- Once complete the whole chain reaction is triggered to the delight and amazement of all!
