minutes

8 – Unlimited

- Teams have a limited amount of time to get their story straight and determine the exact time they were at each place on the night of the robbery
- Different players have different information that they must share to be able to solve the puzzles
- Collaboration continues right to the final moments as teams ultimately crack the code and find their alibi

Escape The Mob begins with a mysterious video telling teams that they were in the wrong place at the wrong time!

Dressing up is encouraged but not compulsory
