

# Ghastly Manor

An eerie mansion, messages from beyond, and life or death choices. Can your team survive the ghosts of Ghastly Manor? Your expert team of ghost hunters has been called in to investigate an old inn. The only way to get rid of the ghosts... find their secrets and answer the questions that keep them there. Answer incorrectly... and... well... don't answer incorrectly. Can teams can get rid of all 5 ghosts before time is up? Or will they join the ranks of the ghosts haunting the manor?
