Team Building Around the World Podcast Announced TeamBonding Inc.

July 7, 2020 - TeamBonding Inc. is incorporating a new podcast series, Team Building Around the World, to their new and current clientele. These podcast offerings help to bring new ideas, inspiration, and best practices to clients from the finest team building leaders and professionals around the world.

TeamBonding podcast producer Melissa Ehlers and host Rich Rinisland strive to offer a unique experience to provide valuable, in-depth information about team building geared toward business professionals and aspiring leaders. The most recent episodes featured [Guy Baker](#), Catalyst Global CEO, and [David Goldstein](#), TeamBonding Founder and COO, and Catalyst partner [Helena Chavarria](#) of Costa Rica.

"Nowadays, people talk about company culture, employee engagement, employee retention... all the things that are important to companies now was important to companies in the past. But when they started to look more into it, and realize what it took to keep employees happy to keep them working together, to build their business, they realized that they needed to keep the people that were working with them happier, more engaged and get to know each other better."

- David Goldstein | Creator of Opportunities

Partnered with the Catalyst Team Building Network, an association of team building providers with representatives in over 90 countries, speaking more than 20 languages, TeamBonding utilizes the knowledge and tools of experts all around the globe. Upcoming episodes feature Paul Giroux, TeamBonding director of facilitator training, Gabriel Quijano speaking on team building in Mexico, and leadership training expert Fabio Tognetti of Italy.
