# Haunted House

## How It Works

- A fun virtual team building game full of engaging escape room challenges, specifically designed to enhance remote teamwork

# Overview

- Teams compete against each other, solving cryptic clues and completing hilarious photo challenges
- Teams have just 90 minutes to work together to escape all six rooms
- The team with the most points (and who breaks the final code) wins!

Practice Online  
Collaboration

# Team Roles

- Each team selects a player to be their 'Ghost Whisperer'. The rest of the team, or 'Investigators', must guide their Whisperer to solve the clues
- As team trust builds, participants learn to shrug off a fear of failure
- Through trust, self-belief and courage, teams discover the successes that collaborative deductive reasoning can bring

# 00:15-00:25 The Hallway

- Starting in the Hallway, teams must complete three challenges to escape each of the rooms in the house
- A diverse mix of ghoulish, mental and creative tasks ensure all players feel included

*Friendly 'Tech Assistants' drop into the breakout rooms to make sure no-one is left in the dark!*

# 00:25-01:25 Exploring The House

- Each room presents the teams with different challenges. Coordination and communication within the team will be crucial for success

*"Command courage to let your eyes wander the depths of each room searching for the clues that will guide your Ghost Whisperer to solve its mysteries, releasing you all to the next room and ultimately to Escape the Haunted House together alive! "*

## Final Stages

- Most teams will be in the final room (The Attic) within 70 minutes of starting the game
- After the final code is solved in the attic, they will then have to work out the final equation to get out of the house
