- ✓ Celebrate Shared Achievements

A fun, interactive activity, where remote players escape their own reality and collaborate with teammates at a virtual music festival

Remote

60 – 120
minutes

4 – Unlimited

Activity Overview

- Teams represent a group of friends going to a summer music festival
- They set out to find 7 'virtual' music stages each with a different music genre
- Along the way they accumulate points by solving riddles, researching acts, recreating 'festival moments' and answering 'pop-up' questions
- Limited time and resources put team dynamics to the test, challenging them to be creative and look for opportunity
- The team with the most points wins!
