**Inclusive app-based gameplay, focusing on individual difference, playing to strengths while balancing risk & reward!**

indoors or outdoors

8 – unlimited

60 - 120 minutes

## Activity Overview

- Teams invest in challenges with varying difficulty levels, aiming to complete as many challenges as possible to maximise points
- The mental, creative and active tasks offered by the tablet menu come with various difficulty levels and take different forms - from individual quests to whole team challenges; some even require getting other teams involved
- To spice things up the game can be paused for on-stage challenges to boost the energy and award bonus points
- The challenges include Halloween history trivia, physical pumpkin activities, creative dress-ups, spooky makeup, false perspectives, campfire tales and dance offs!
