## IN-PERSON EVENTS

### **Quickfire Olympics**

Race the clock in a fast-paced adventure packed with puzzles, photo quests, and surprises! Teams choose their own path to victory in this high-energy challenge.

### **The Mystery Bus**

Hop aboard for a surprise-filled adventure to unique local spots with games and laughs. Each stop is a mystery—all fully planned and guided by our expert hosts.

### **The Big Picture**

Teams paint individual canvases that come together to form one giant, unified masterpiece. It's a powerful visual reminder of teamwork and communication.

### **Outrageous Games**

Get ready to laugh, race, and rally! Outrageous Games brings wacky relays, wild props, and sunny-day silliness to your team for a summer showdown like no other.

### **Integrity**

Put your team to the test with high-energy challenges that build trust, integrity, and teamwork—plus a powerful CSR impact built into every activity!

### **Global Music Festival**

Solve riddles, snap photos, and compete for the title of Champion in this high-energy, team-driven musical journey!

### **Little Team Library**

Leave a lasting gift for future generations and unleash your creativity as your team assembles and decorates a Little Free Library® kit while co-writing a children's book with AI.

### **Human Skills - NEW!**

In this GPS-powered journey, your team navigates checkpoints to master essential people skills in real-life scenarios. Challenges boost communication, collaboration, and critical thinking.

### **The Ultimate Tailgate Challenge**

Get ready for a friendly, competitive round of classic games like Corn Hole, Kan Jam, and Ladder Ball, with a lively DJ setting the tone for an afternoon filled with fun, prizes, and lasting memories.

### **Drumming Up A Team**

No musical skills needed—just rhythm, teamwork, and fun! This drumming experience gets your team in sync through global beats, connection, and collaboration.

### **In It to Win It**

Compete in fast-paced, 60-second challenges filled with excitement and laughs! Teams work together, strategize, and have fun in this action-packed event. Only one team wins!

### **Corporate Survivor**

Form alliances, sabotage rivals, and outlast the competition to claim victory in this high-energy Survivor-style event!

### **Amazing Race Scavenger Hunt**

Turn any location into a thrilling race with custom challenges, detours, and roadblocks. Teams complete tasks, snap pics, and compete in real time to be first across the finish line!

### **Polaroid Scavenger Hunt**

Before GPS and apps, this legendary hunt had teams racing across the city in limos, cracking clues and completing wild challenges in a fast-paced, unforgettable team adventure.

### **Catapult to Success**

This high-energy challenge has teams designing, building, and launching catapults to achieve distance and accuracy—all while collaborating, innovating, and flinging their way to victory.

### **Build Your Own Mini Golf Course**

Teams build and play a mini golf course using creative materials—add a CSR twist by using canned goods that get donated after this fun, hands-on charity challenge!

### **Team Wellbeing**

This interactive app-based challenge inspires mindful actions, positive habits, and helps your team grow their Happiness Tree!

## VIRTUAL EVENTS *(For those rainy days)*

### **An Attitude of Gratitude**

Gather your team for a heartfelt virtual gratitude session led by our Gratitude Guru, where thoughtful prompts, shared stories, and appreciation spark connection and boost morale.

### **Virtual Wellness Activities**

Energize remote teams with a fun, week-long wellness challenge featuring daily goals, friendly competition, and shared progress.

### **Virtual Crime Scene Investigation**

Teams race to solve a virtual murder using forensic clues and 360° crime scenes. Choose from two thrilling cases in this immersive, collaborative mystery experience.
